

Local Programming Studies and Advocacy
Ratification Resolution by Philip Yates, Vice President

We propose no new formal local studies for the 2020-2021 year.

We propose to continue our work opposing partisan and racial gerrymandering, maintaining careful attention to redistricting as it plays out in Harris County and promoting a transparent and accountable redistricting process.

Additionally, the Study and Advocacy Committee recommends the following elements for special focus during the 2020-2021 League Year:

1. Safe and Accessible 2020 Election Season Amid Covid-19
2. 87th Texas Legislature – 2020 Legislative Interview: November 2020 – February 2021.
3. League Women Voters of Houston – Lobby Day: February 2021
4. Census 2020
5. Texas Redistricting
6. Ranked Choice Voting
7. Updating Existing Local Position
